IAABO Board 23 (Central Maryland) host their 13th annual

23 Territory Scrimmage Shootout

Varsity Girls on Friday November 26, 2021

Varsity Boys on Saturday November 27, 2021.

Teams from private and public schools in the Baltimore area play five, twenty-minute scrimmage in three or four groupings at the tri-court Northeast High School gym. Teams must meet MPSSAA Sanctioning rules.

The annual ***23 Territory Scrimmage Shootout*** is a win-win-win event for schools and officials. High School Teams get to see and experience five different styles of play over a two and a half hour period and they get to play and observe schools they could meet in league or state playoff games. Board 23 gets to observe, train, and evaluate officials in one location early in the assignment process.
